

(Just in case people missed it...)

ε—

Chapter 102 was set as volume 2.(which it is in volume 2 but ya know!)since I accidentally put it as that it would automatically go to the beginning before chapter 1! So yeah check it out!

uh... isn't that kinda to much?

I see it's been kinda hard these days but still...

why would you make such a decision

I mean if I when you

soorim

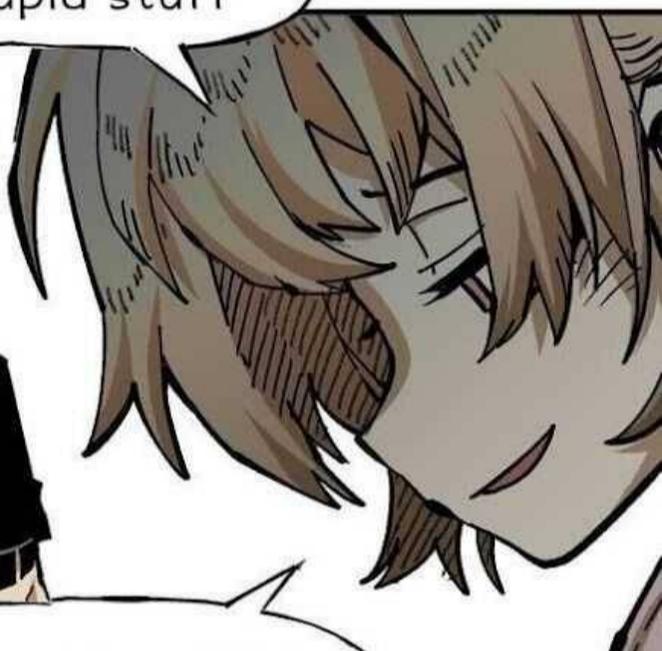

I'm just talking nonsense

is... that right

I'm tired  
now

everyday.. I have  
to deal with  
stupid stuff

haha and im still in  
middle school...

it's weird at  
first

but it's  
stupid

well to you I  
won't say  
anything

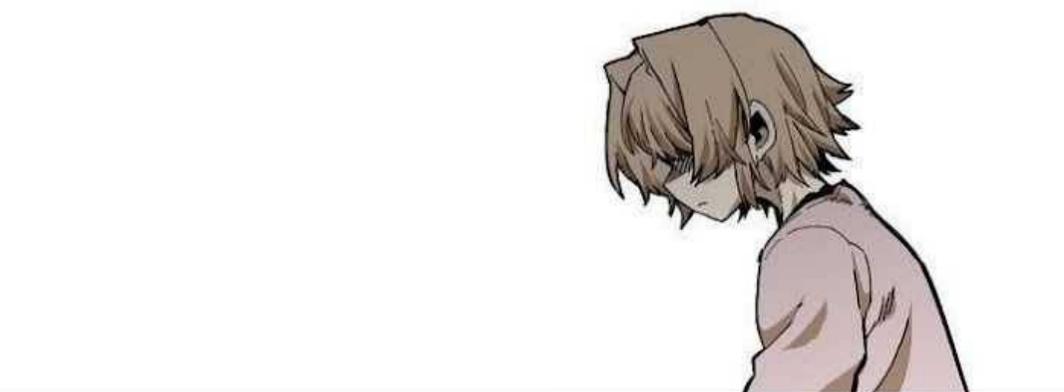

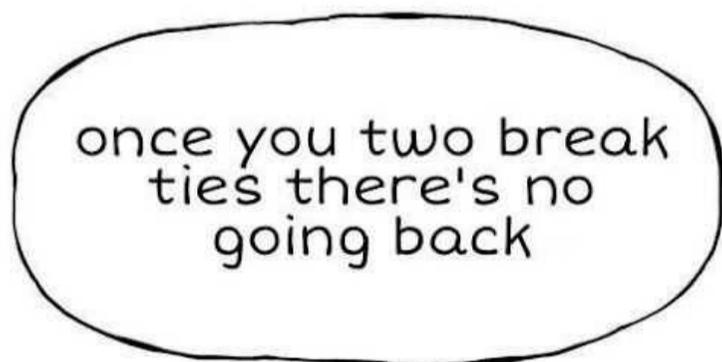

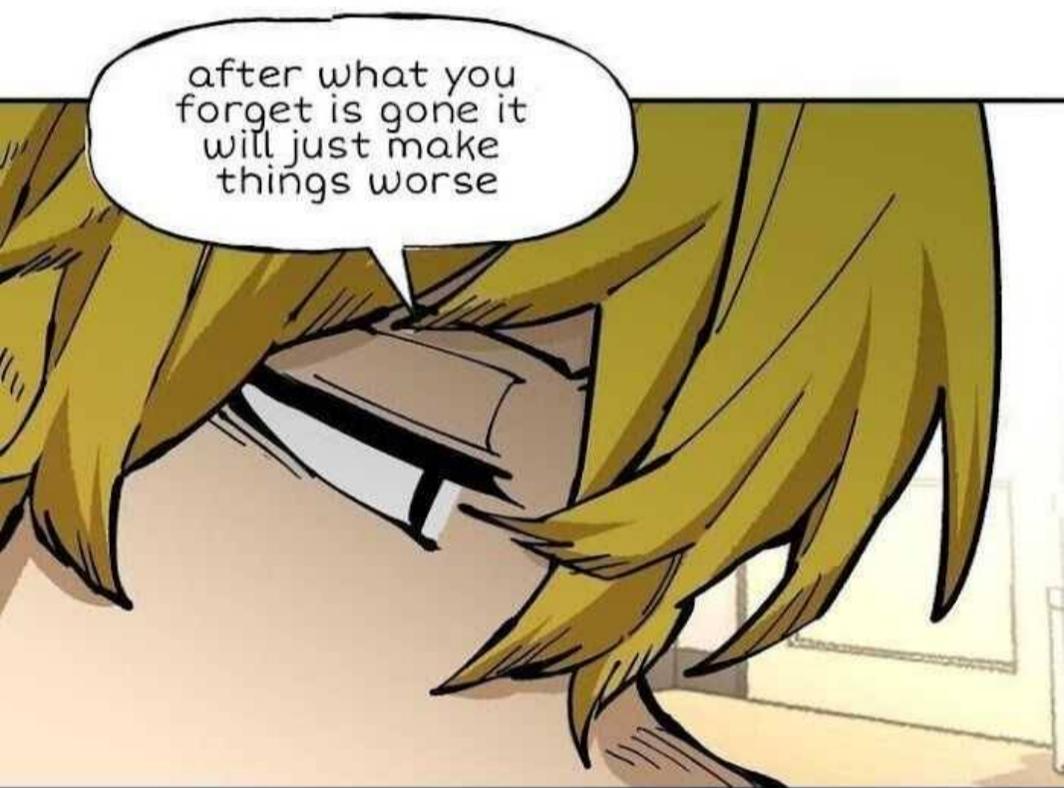

you also have your  
own worries so it's  
your decision

but before you do  
that just think  
about this

with you're  
family you must  
have good  
memories right?

good memories...

.....

AHHAAAAAAAAA  
HHAHA

SOORIM  
YOU'RE REALLY  
GETTING  
SERIOUS WITH  
THIS

HUH?

IT'S JUST A  
BROTHERS FIGHT  
HAAAAHA

(at this part they just started joking abt random things btw)

soorim also has a cute side!

IS IT DIFFERENT WITH YOU?!  
LOL

WELL YOU BETTER SURRENDER FROM THE EVIL TICKLE!

well I have to go sanya

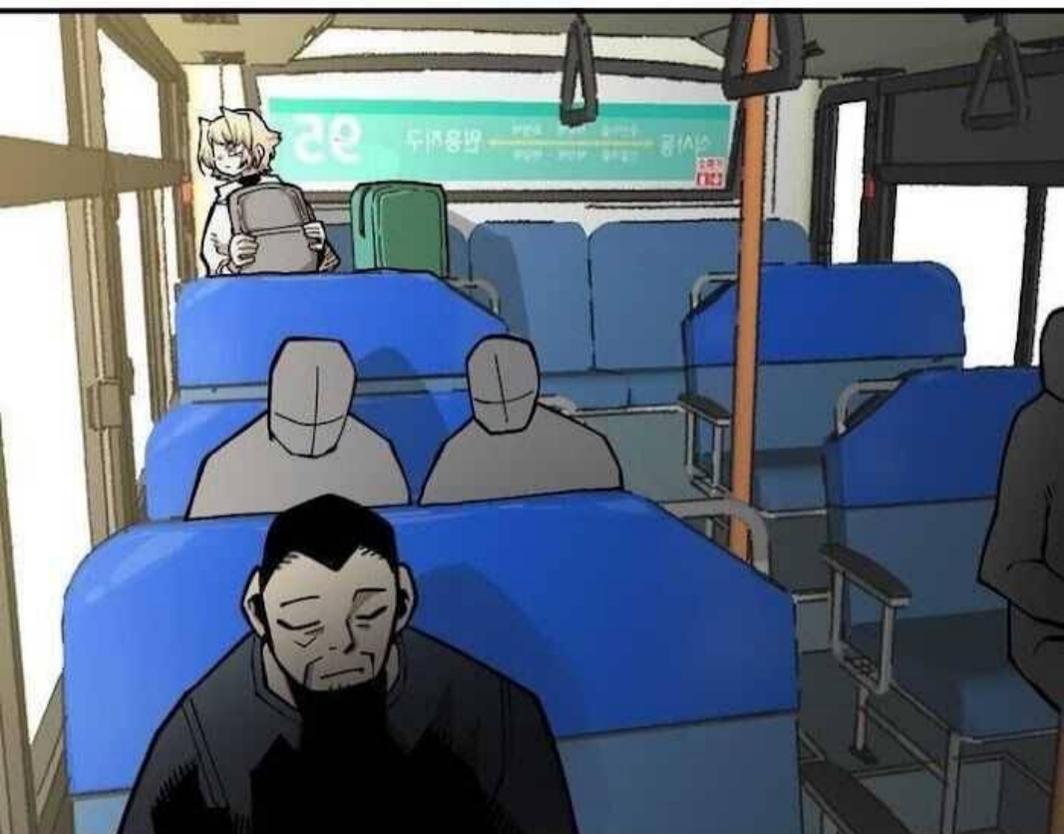

have a good day!

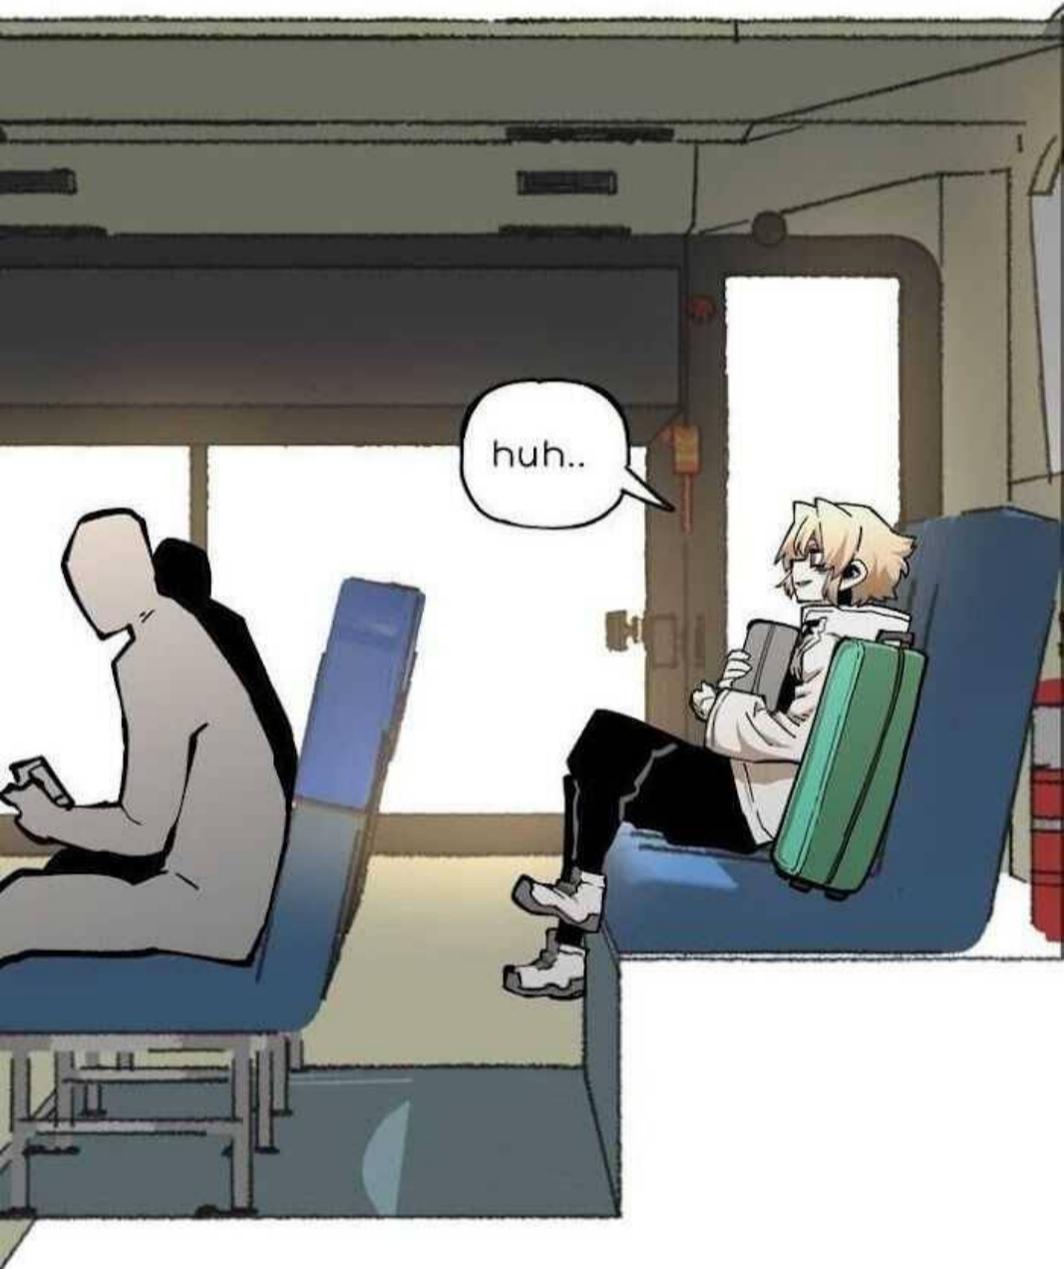

... goodbye

was it good  
memories?

or bad memories  
with him?

well there's no memories at all..

there was some  
good memories in  
the start

when I was with  
my dad..

good memories  
with my brother..

many things only come to mind  
after they Dissapear

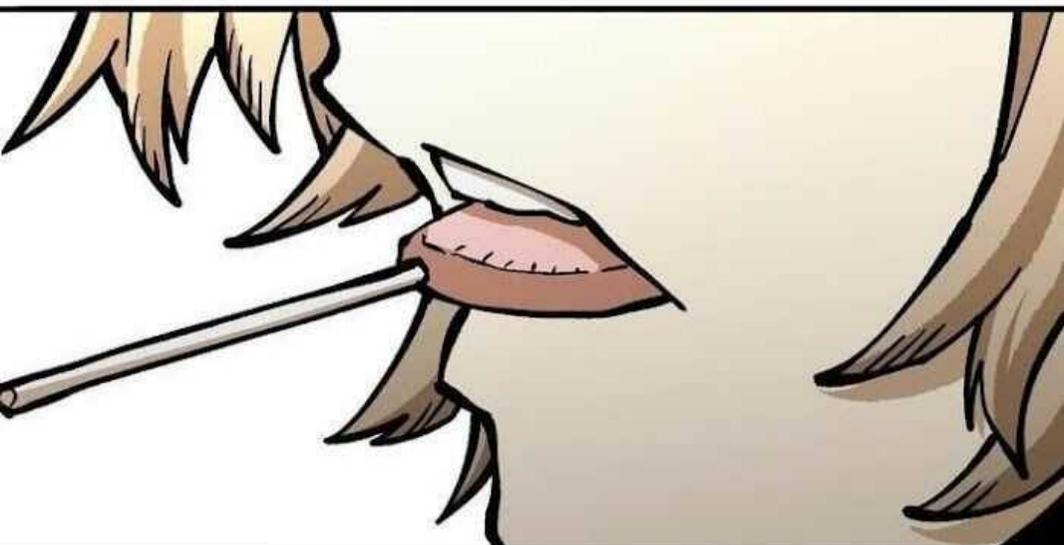

Don't go!

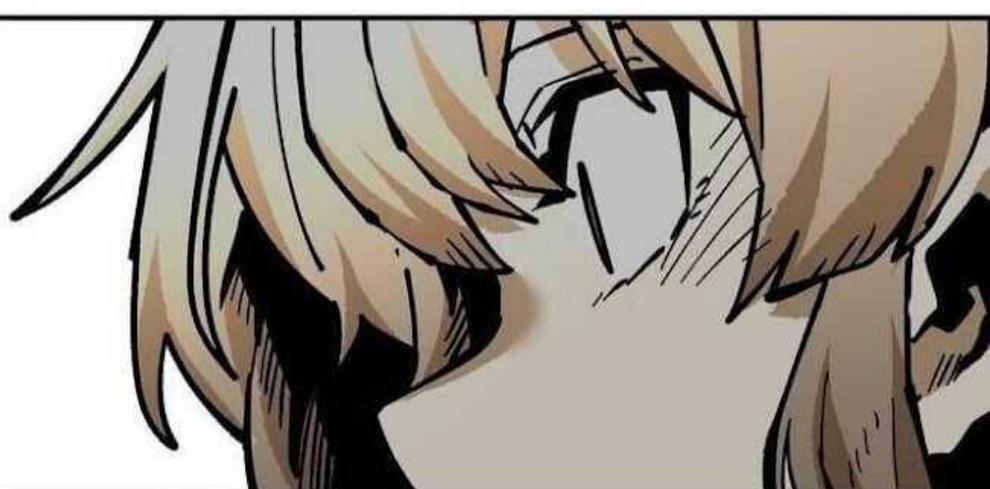

dad!, don't go come  
play with me  
okay?!

I don't  
like to be  
at home  
alone!

don't you have any  
good memories with  
your brother

no,

that's not  
it...

Don't go!

Dad don't go come  
play with me  
okay?!

Not that..

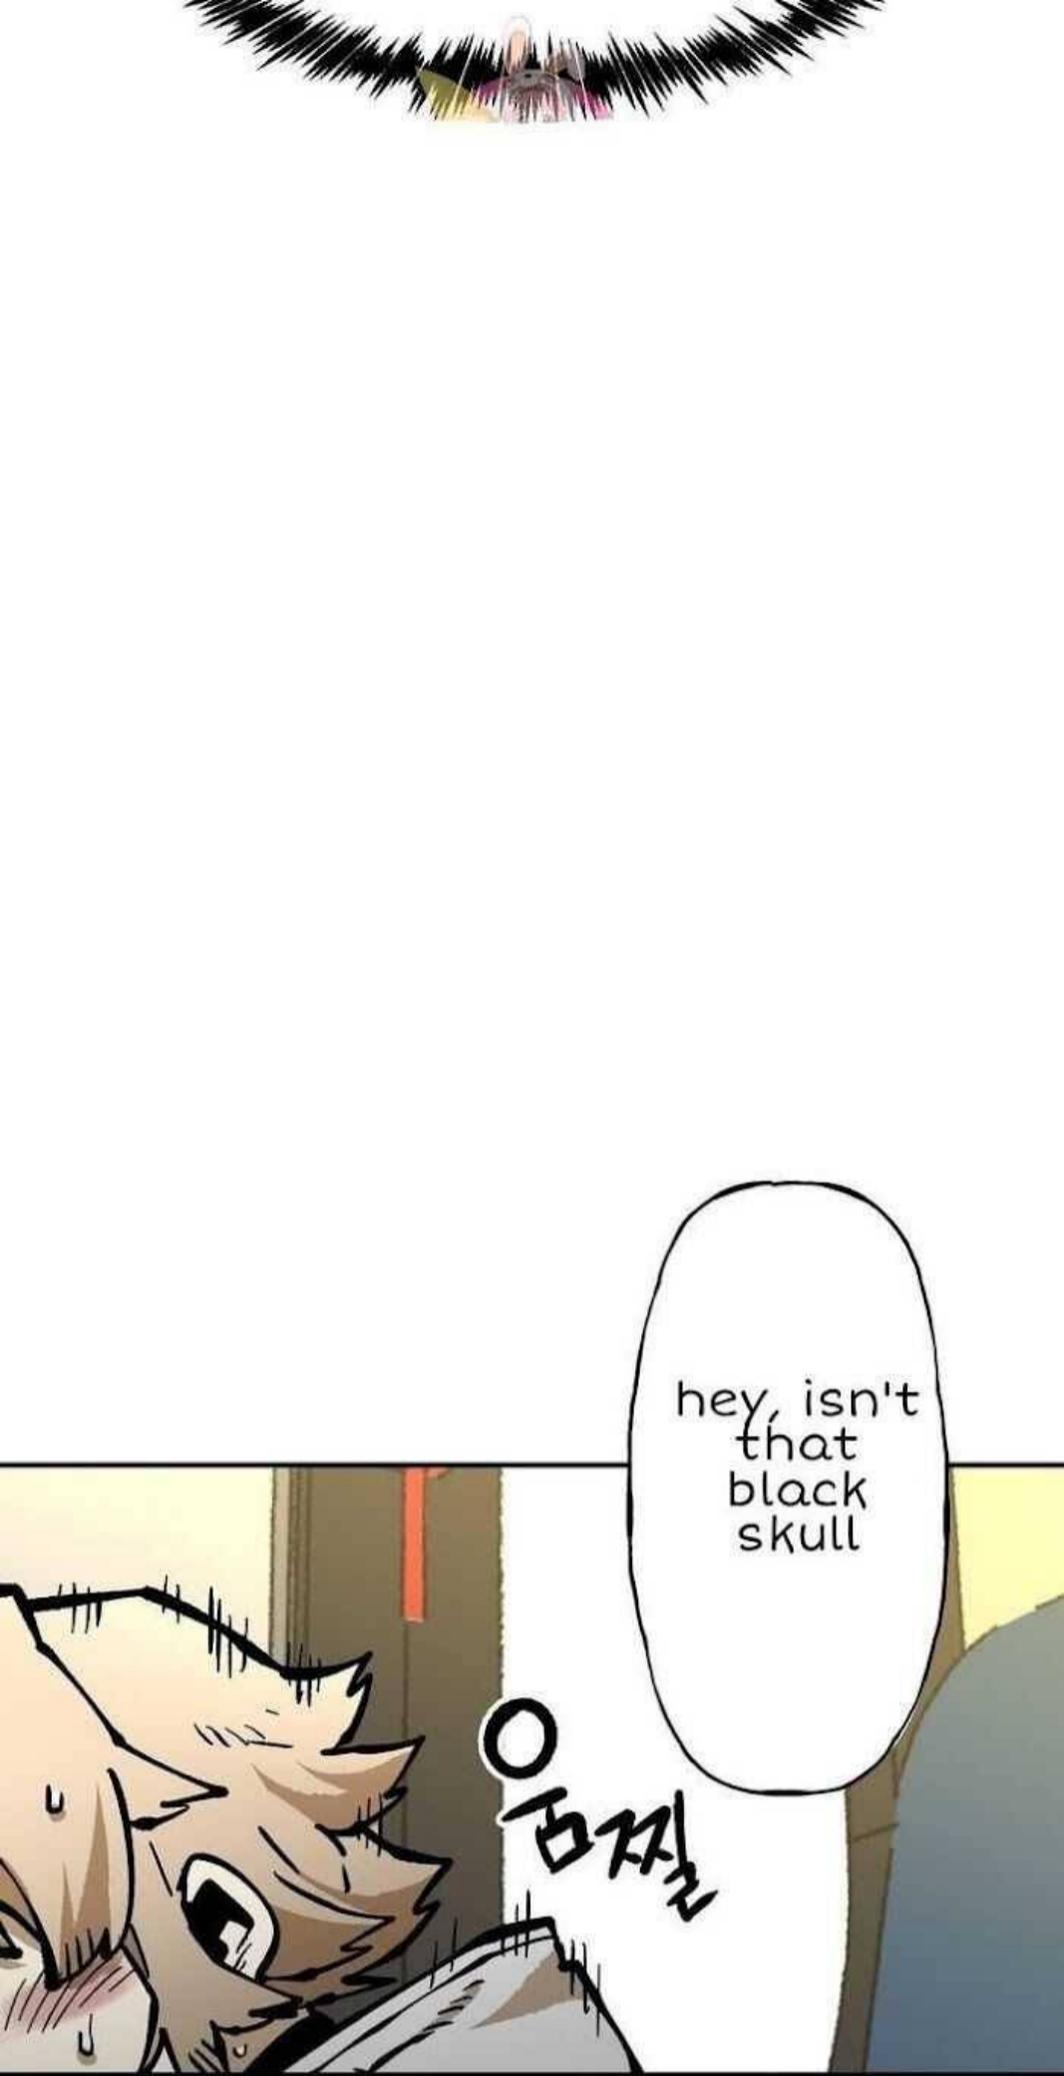

I just don't have  
any memory of my  
brother..

Why me...

we're you alone  
at home to?

hey, isn't  
that  
black  
skull

OH  
MY  
GOD

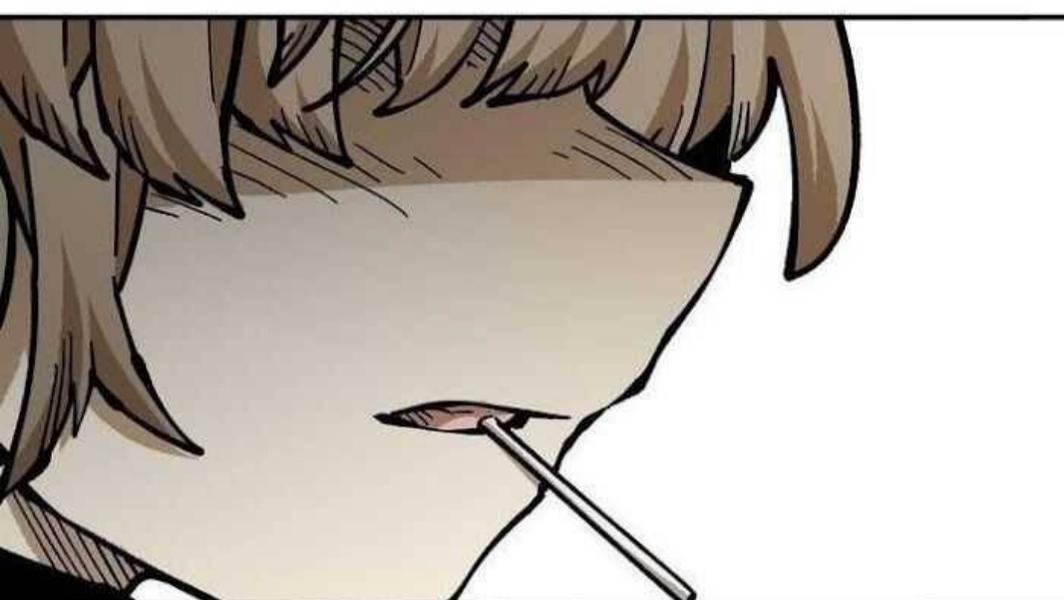

hopefully no one  
cares

I like it to  
be quiet

oh-

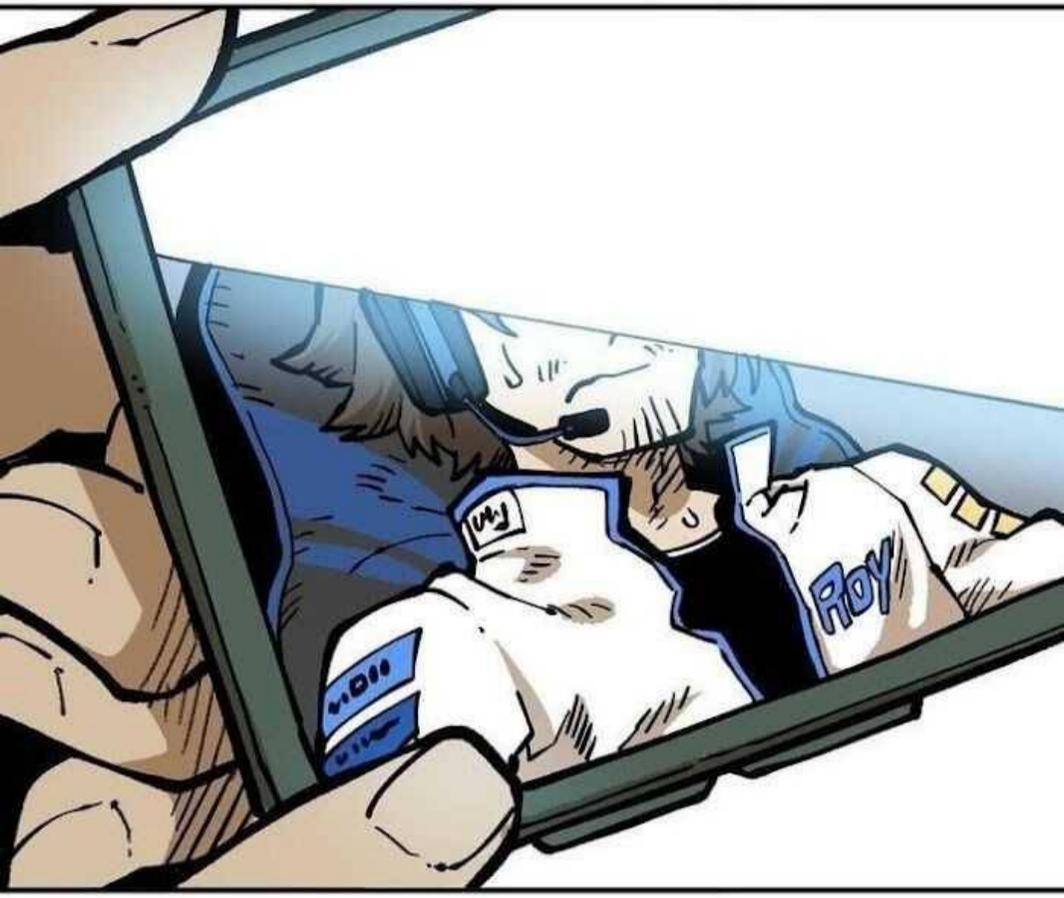

he just debuted?  
im dying hahah

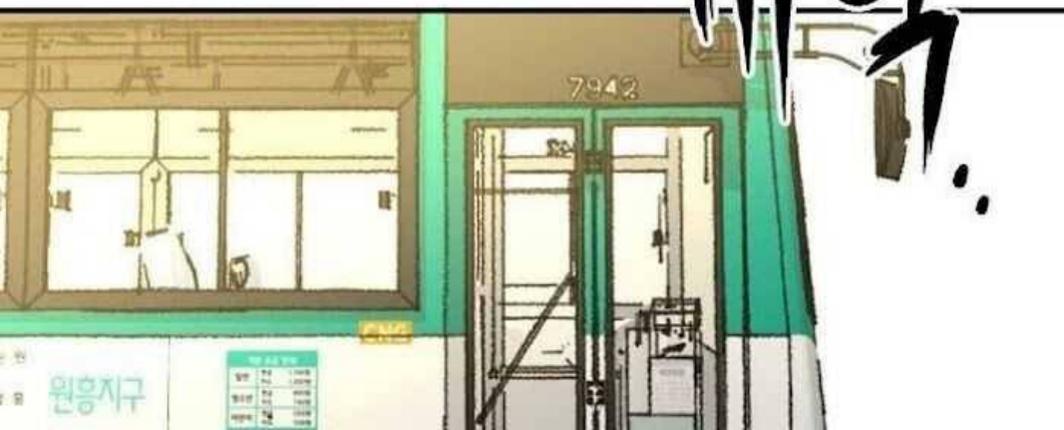

still in the start he  
did seem to be  
caring

here you  
can watch  
it with me

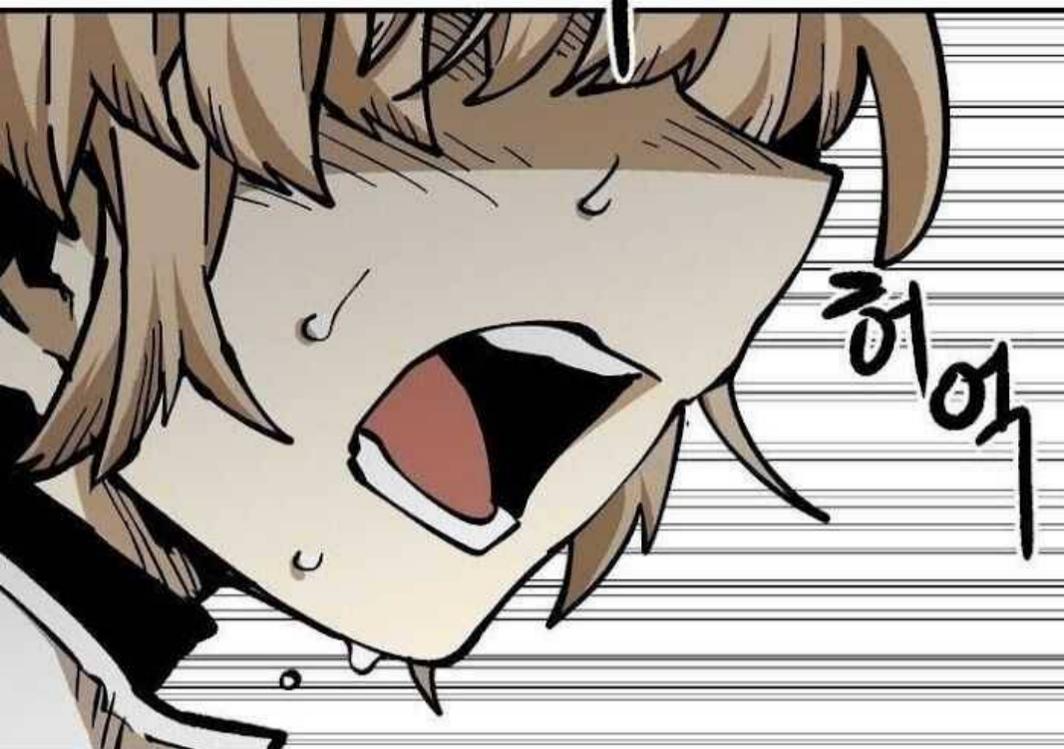

기억!

You always just did nothing!

what?

I'm a pro gamer,  
what do you mean  
I do nothing?

yes really

and this is just  
a practice  
routine

what does that do  
your just playing  
games!

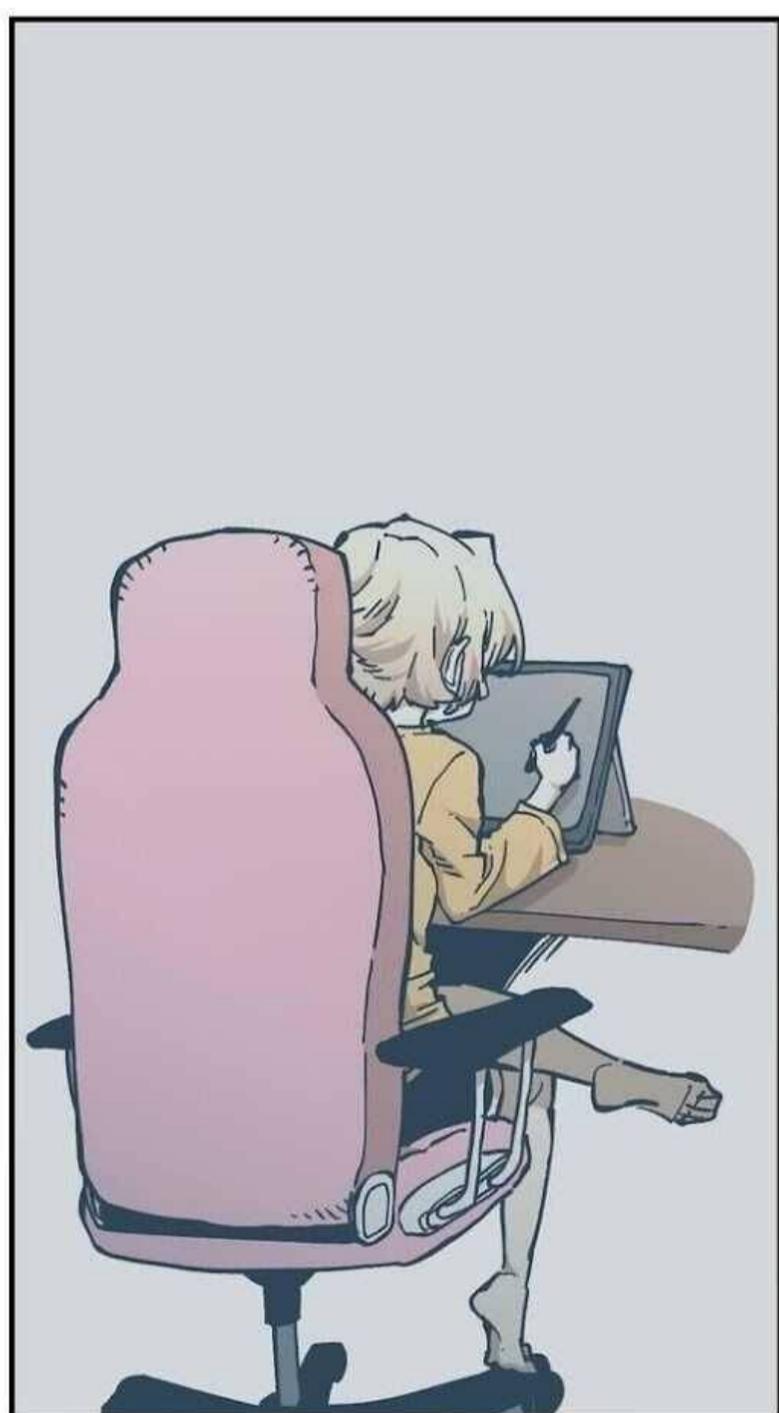

what team are you  
in? your not even in  
the news!

you do the same  
thing every day to,  
you just draw

why didn't you tell  
me..

what I need  
the most is..

to be with  
someone and not  
just always alone

where just running  
side by side

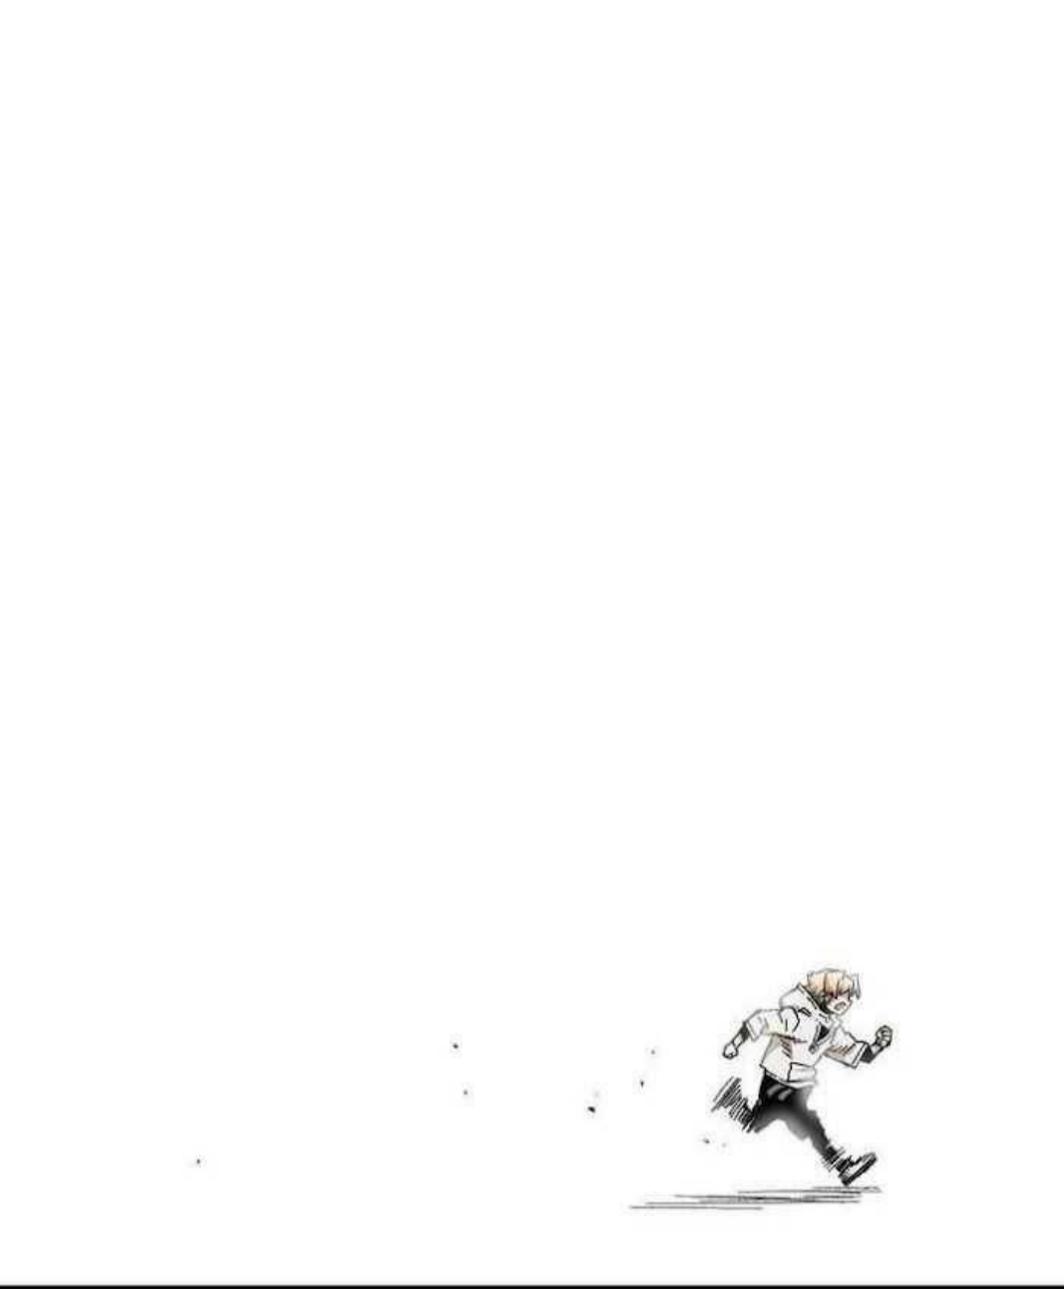

but he is just  
gaining strength  
as one person!

---

why me all this  
time

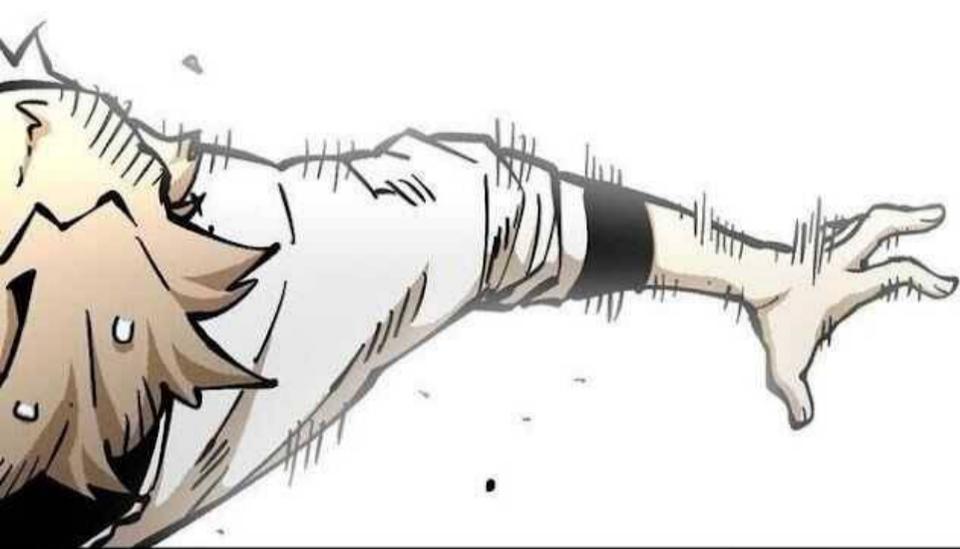

why did you have  
to leave me alone

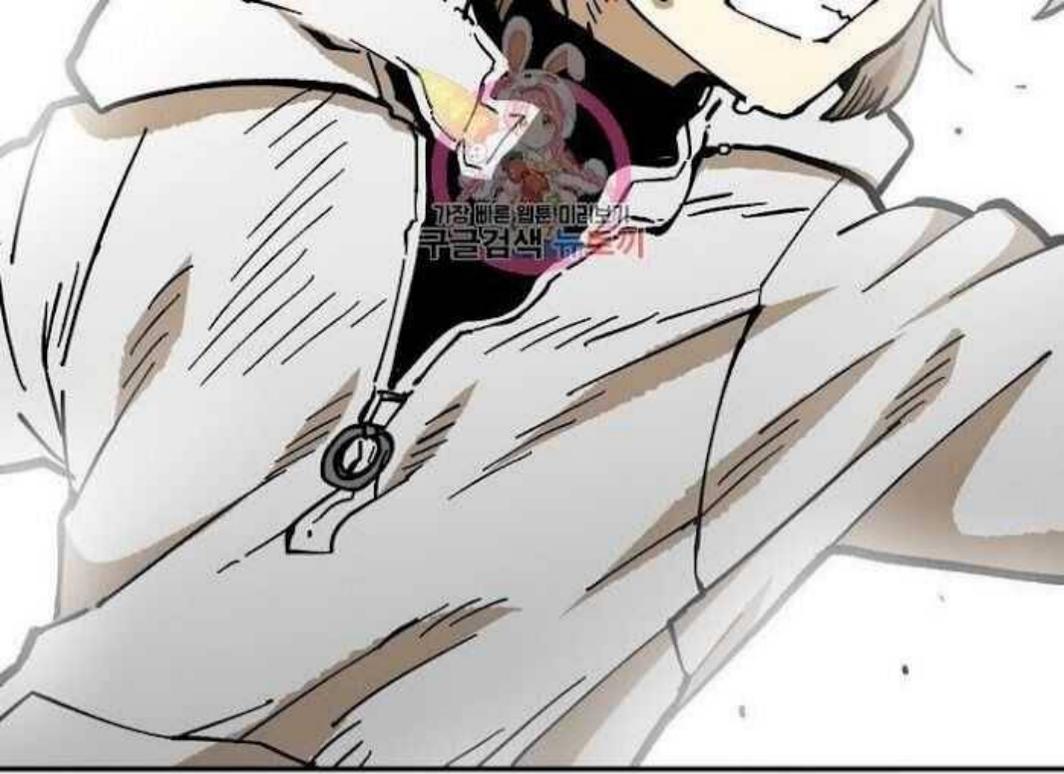

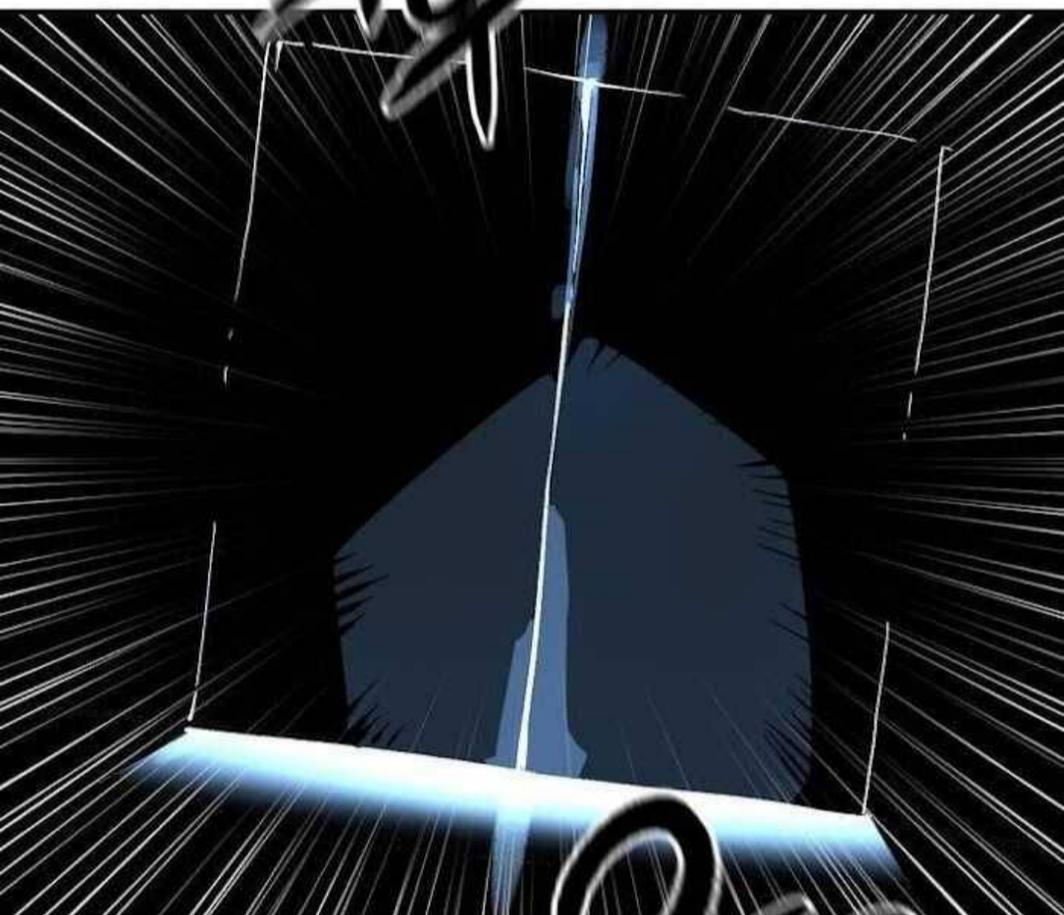

Forgive me!

후우우우

우우우

파

Hey!  
that was  
awesome!

Today was  
a great  
match!

LOSE

lost again..

I thought that  
was my last  
chance!

검은 해골  
Black skull

Eventually this  
account will  
become useless

This time I'm  
speechless..

whoops..

터벅

mindeok, aren't you coming back?

I know your tired but it's hyungs debut

Ah, you can ask me what to do

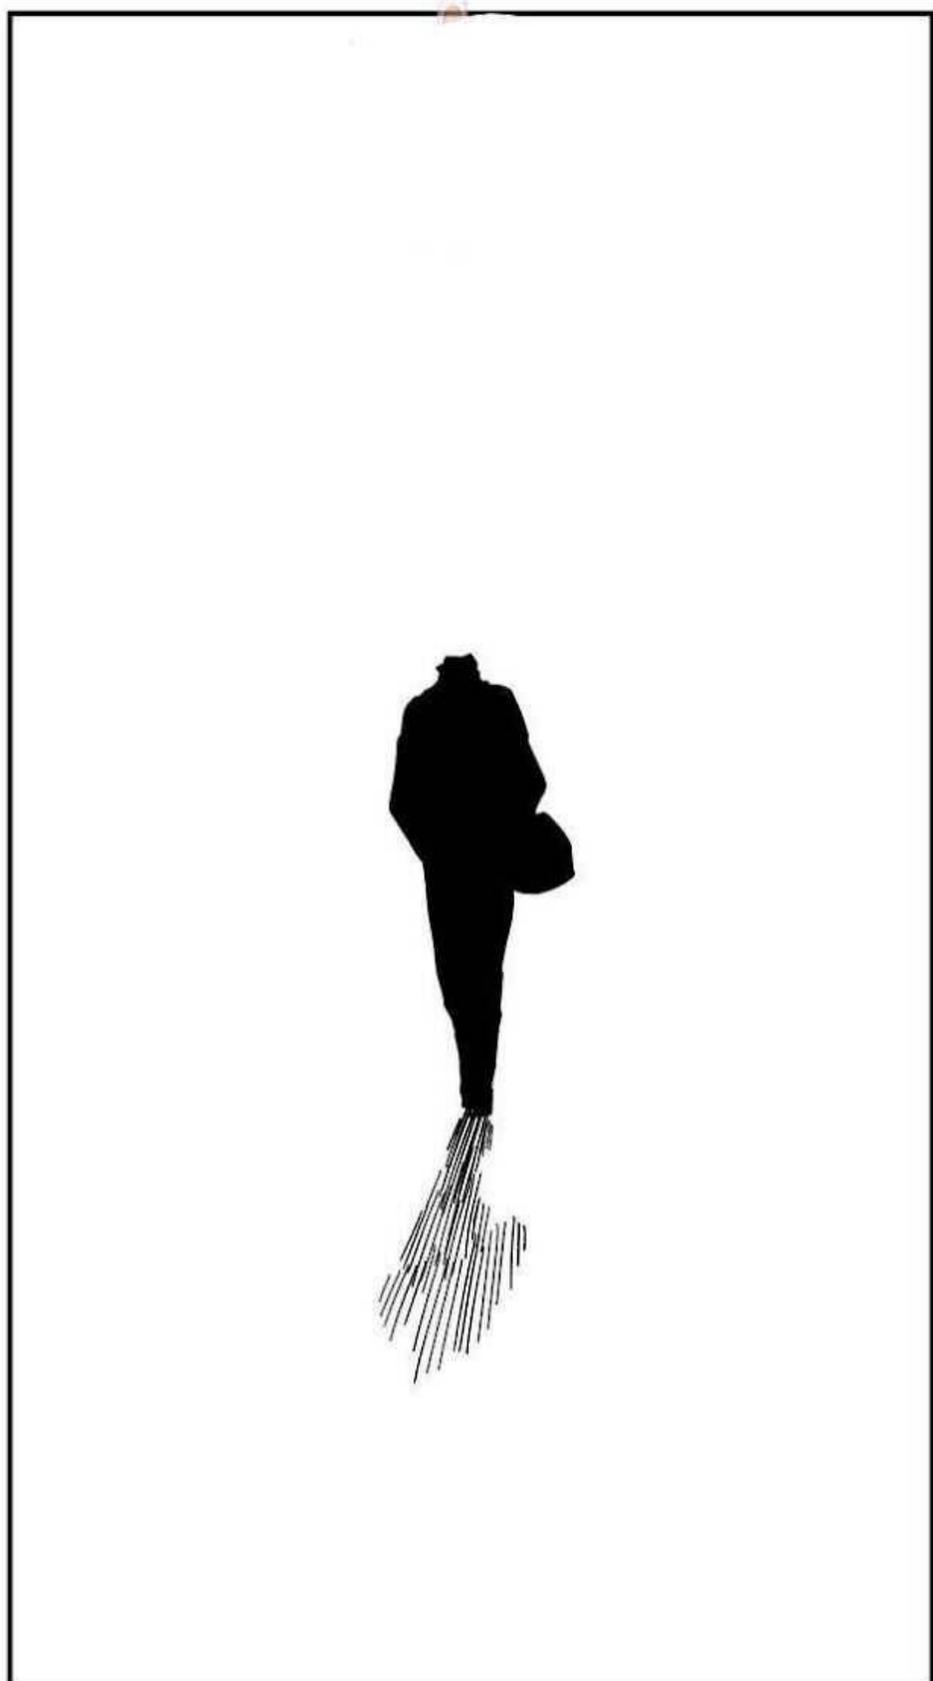

if I was upset right now I wouldn't even be here!

look I know you love your brother and I understand I have a younger brother

in the end stuff happen

at the age of 26 I debuted to

and I  
ruined  
it..

that's how  
tough this  
world is

.. ah..

sorry..

let's do  
it here

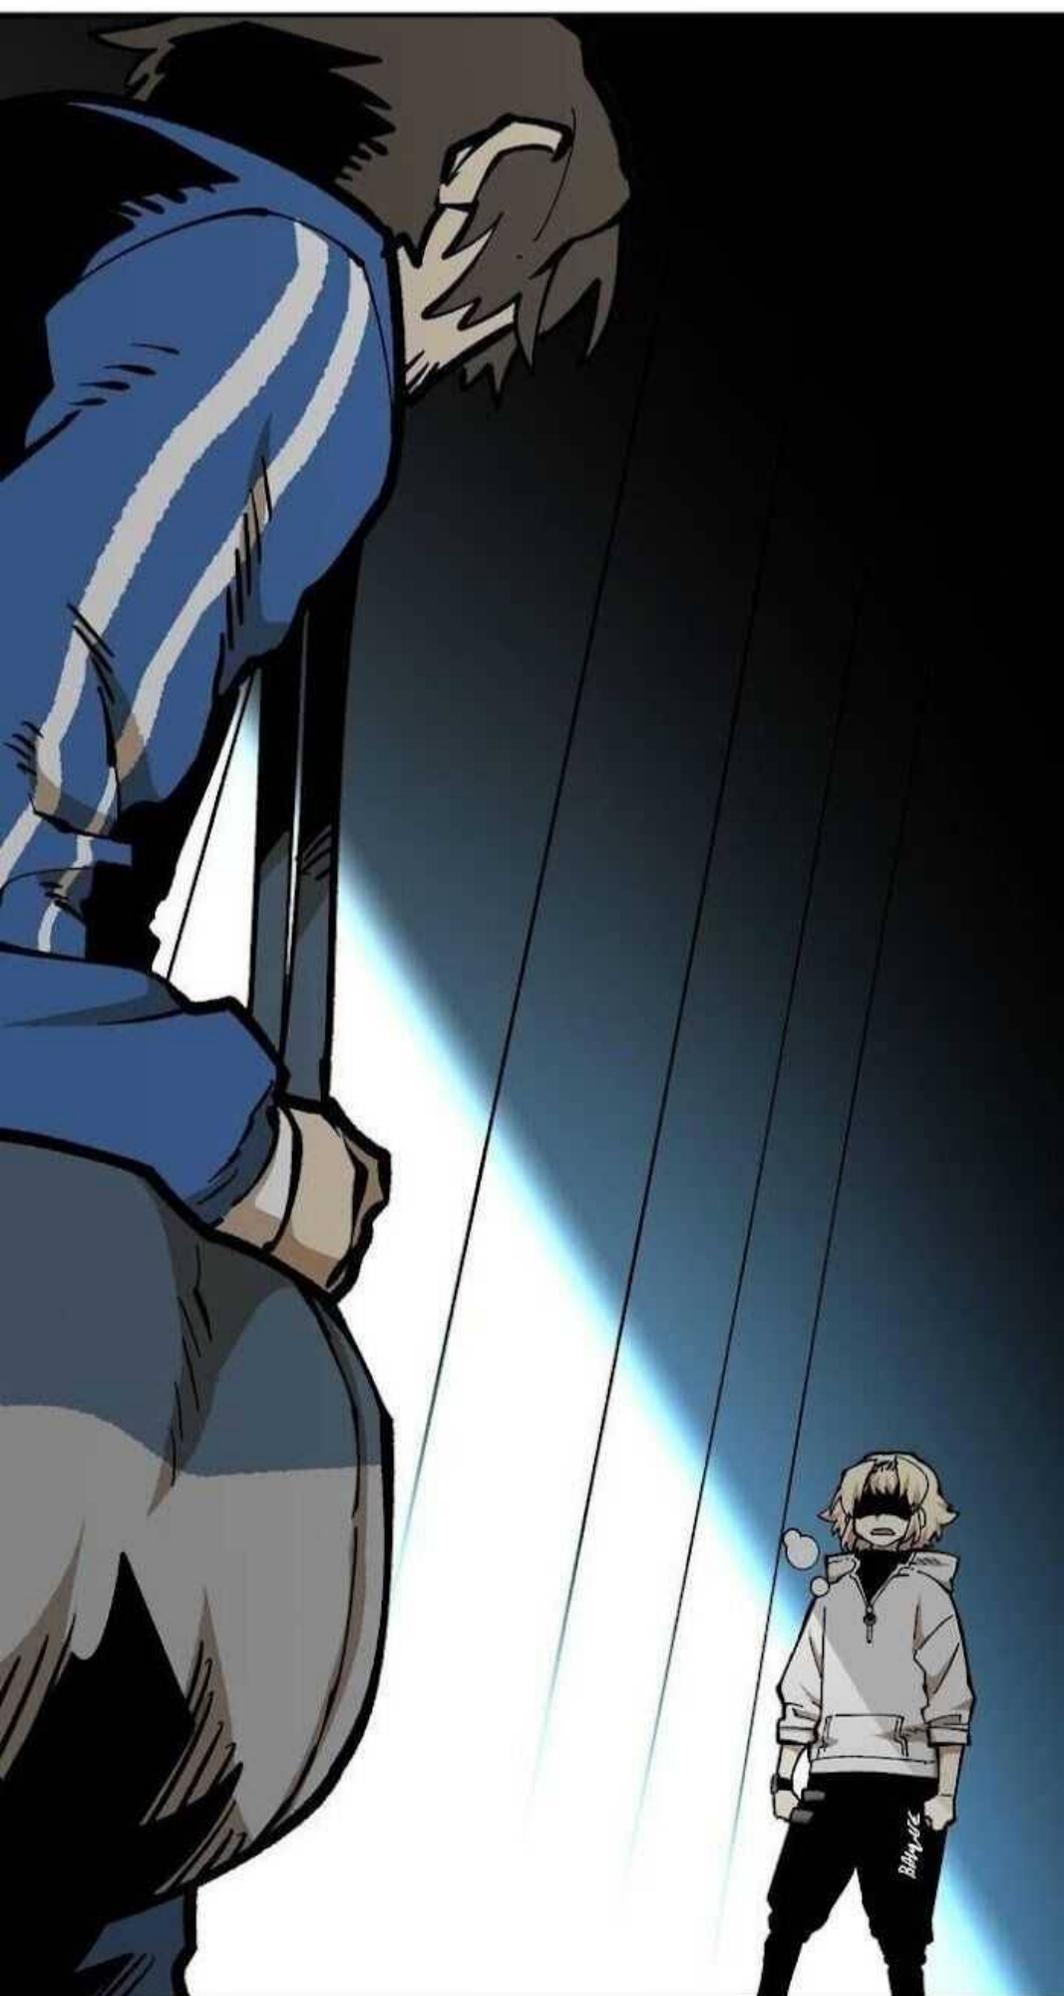

I will stop my  
dream of being a  
gamer

as sanya said  
let's find a real  
job..

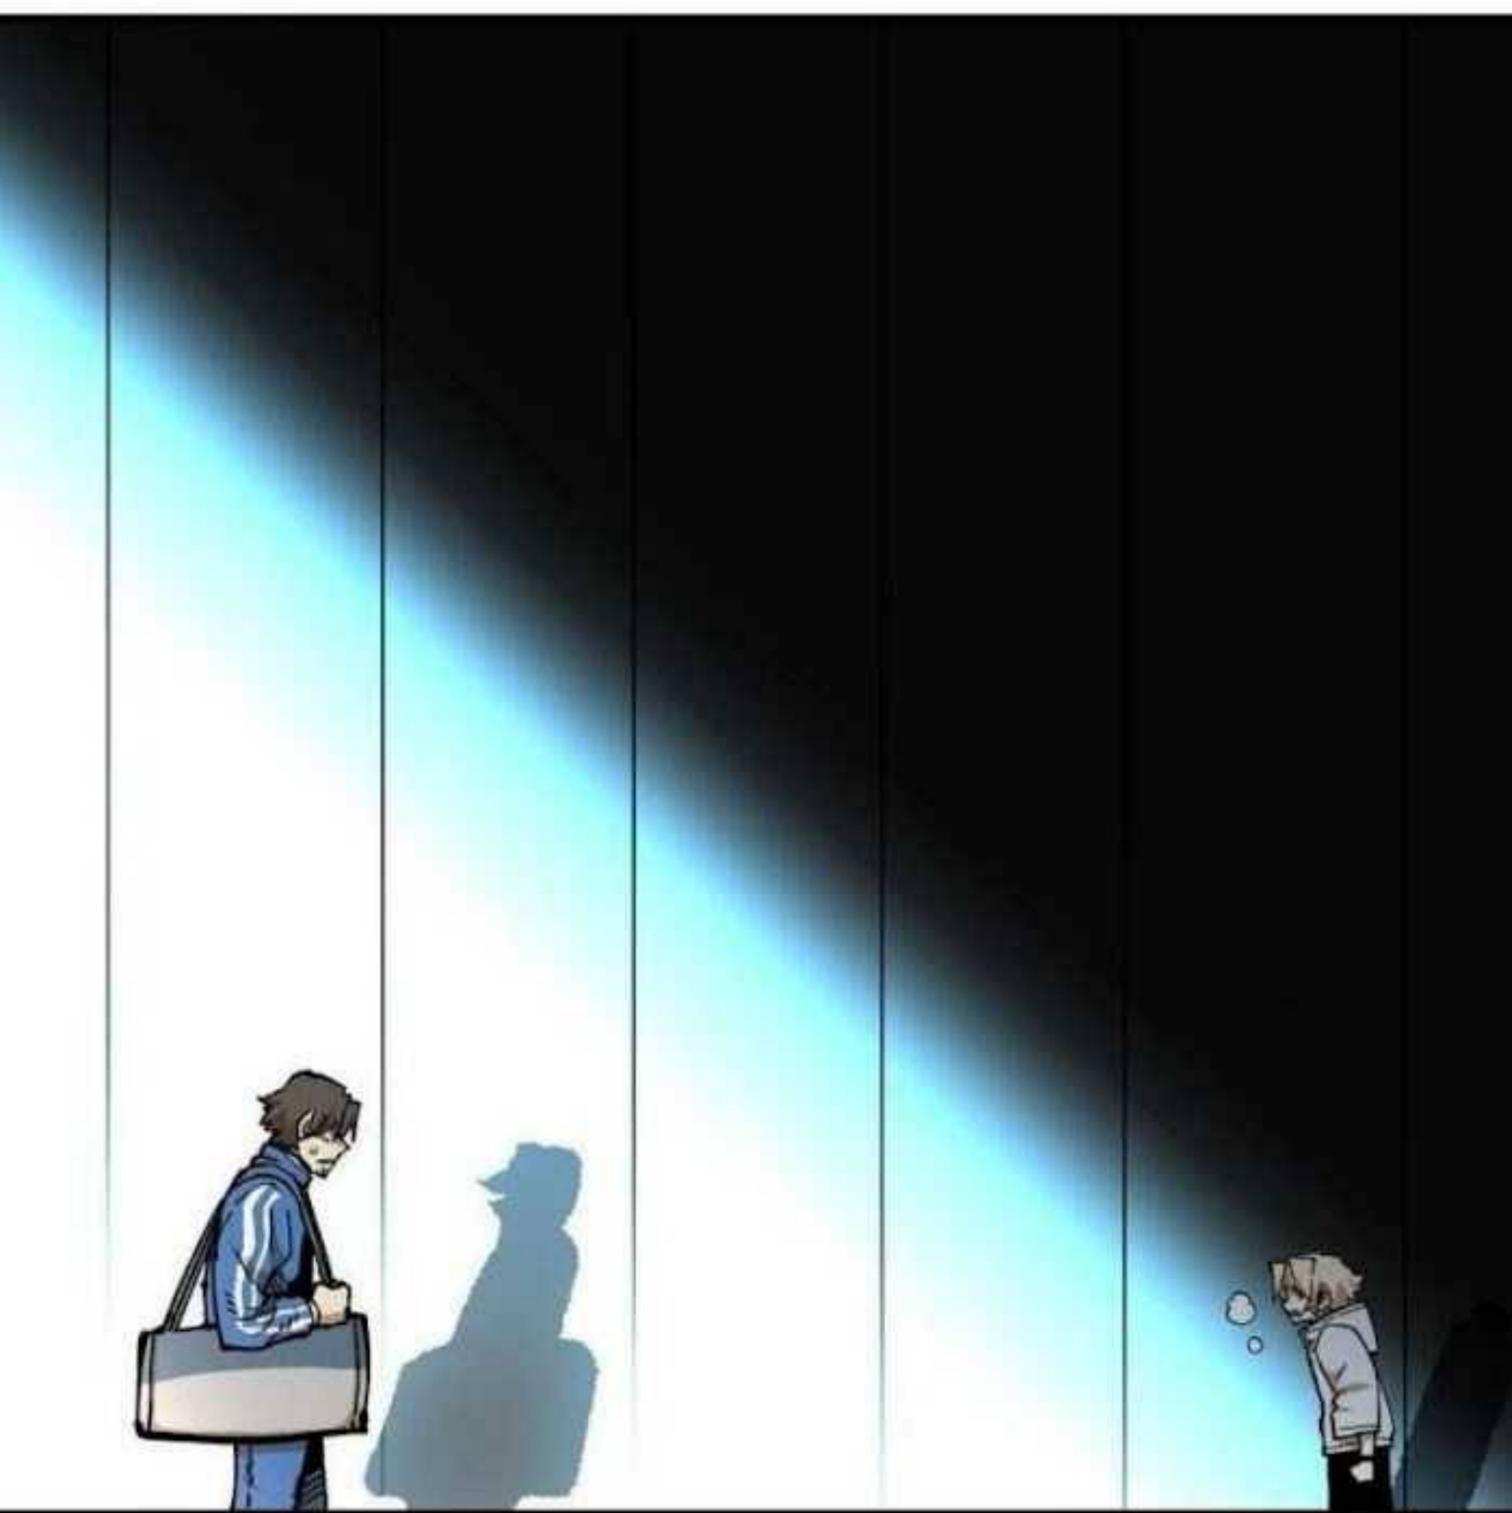

he will no longer have to  
do everything alone

Sanya?

hope u all have a  
great day ( $\geq \nabla \leq$ )/
