Good Morning,
Dear Suicide Boy
Readers!

This is
Park Ji!

Hey... Suicide Boy
Part 2 is Finally
Over...!

it Was The Same
in the First Part,
but Serialization
is difficult~

Most of the stories in
Suicide boy Part 2

I Improved the Surrounding environment and Focused on it.

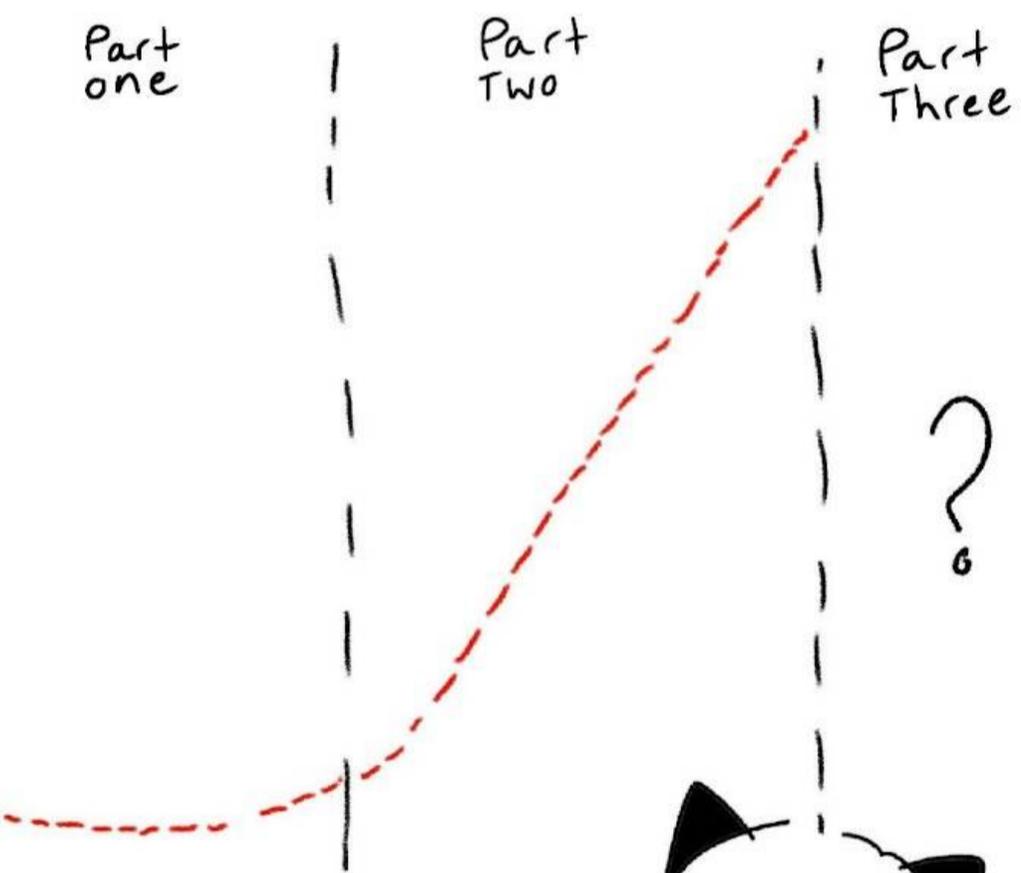

So, even a story that was very limited, especially in the last episode it was really hard...

Part one

Part Two

Part Three

Hooni's life story in part 2 was on the rise.

I hope you look forward to part 3!

and that the end of part 2 came out properly next chapter: 'Yang Hee-min'

Please look Forward to it

Oh, and Sana and Harim will also solve the story... Before the 3rd part, you can solve it slightly...

Then you see part 3 everyone!
Oh NO!!
