1.4

“Er was eens een oud kasteel midden in een diep en donker bos”

/ ɛɪ wɑs ɛ:ns ɛn ɑut kɑste:l mɪdɛn ɪn ɛn dɪp ɛn dɔŋkɛɪ bɔs /

1.5

“kasteel” contains 6 phonemes.

/k/ = unvoiced velar plosive

/s/ = unvoiced alveolar fricative

/t/ = unvoiced alveolar plosive

/l/ = voiced velar lateral approximant

1.7

These rectangles can be used to play certain parts of the recording.

1.8

t, k, d, p and b

1.9

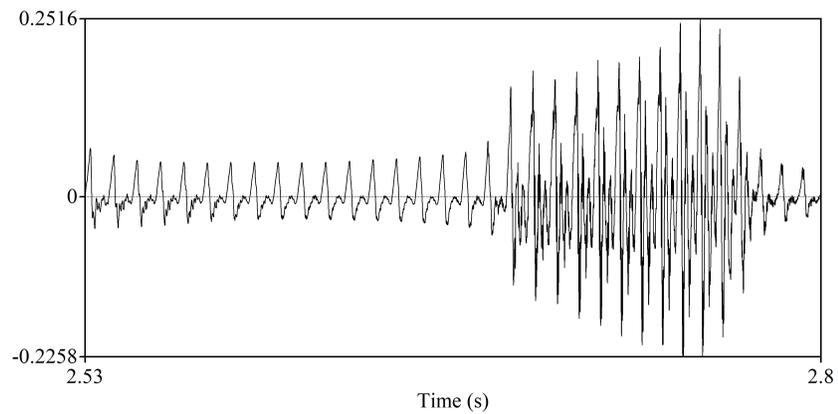

Figure 1: Voiced

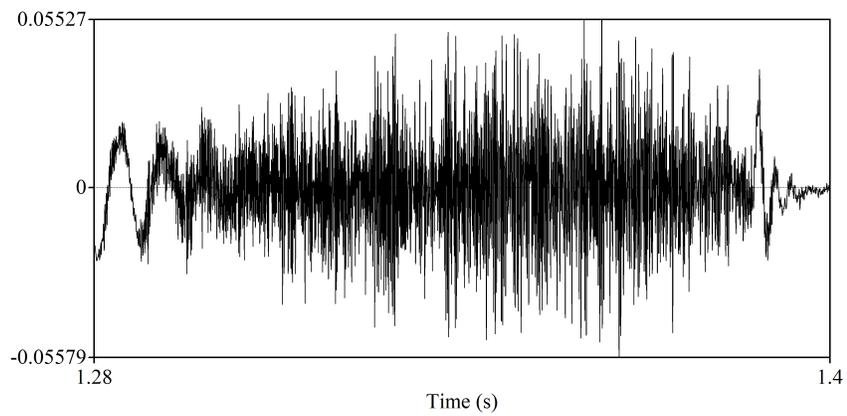

Figure 2: Unvoiced

1.10

The pronunciation of individual words seems alright, but the overall intonation of the sentence, especially when transitioning from one continuous speech fragment to another, seems way off.
