Spraakherkenning en -synthese, lecture 2

Paul Boersma, September 2019

Contents of lecture 2

- Extra material: IPA course

- First hour:
  - Discussion of homework 1

- Second hour:
  - Tones
  - Sampling
  - Praat scripting

Extra material

- Many students like to hear the sounds of the IPA.
- There are websites..
- ... but there is also a course in Praat,
- ... available now on Canvas at lecture 1.

Discussion of homework 1

- See "solutions 1.pdf".

Tones

- Demonstrated in class with Praat.

Sampling

- Demonstrated in class with Praat.
- Read the exposition in chapter 3 of the SSP book.

Praat scripting.

- Demonstrated in class with Praat.
- Read the expositions:
  - in section 1 through 5 of the scripting tutorial (under Help in Praat);
  - in chapter 4 of the SSP book.
