Secretary Yara

1. Opening

2. Announcements

3. Minutes last meeting

4. Informing

a. TER (OER)

Goal: The student council shares the topics they are currently working on with regards to the TER (OER) and informs on ways the programme committees can share their efforts.

b. TA professionalisation

Goal: The student council shares their survey for teaching assistants and their aims with regards to this topic.

c. Course catalogue and study guide

Goal: The student council shares the issues they've encountered when

d. New Year Survey

Goal: The student council informs about the upcoming New Year Survey and ways the programme committees can give input on the questions and use the eventual results.

5. Consulting

a. Schedules

Goal: The student council wants to see whether students of the different programmes experience issues with the timely publication of course schedules.

b. Mandatory attendance

Goal: The student council wants to see whether courses adhere to the new stricter rules in the TER-A (OER-A) regarding mandatory attendance.

c. Support retakers

Goal: The student council wants to see whether courses actively implement ways to support students who take a resit as prescribed in the new TER-A (OER-A).

6. Discussing

a. Course evaluations

Goal: The student council wants to discuss the implementation of the new evaluation system; discuss
